Dear Katie,

The America's Cup Trophy at Gulf Harbour Yacht Club

I am very pleased to advise that GHYC has been able to arrange with the RNZYS for the America's Cup Trophy to be on display at our club premises on **Friday 22nd September**. This is prior to the 'official' national tour.

The Cup will arrive at **3.30pm** and will be here until 7pm. This will be followed by a private function for GHYC members.

The general public will be able to view the Cup until 5.30, however we are able to extend this for fellow Hibiscus Coast boat club members until **6.30pm**.

Could you please pass this information on to your club members and families at your earliest convenience. Also ensure they bring proof of membership if arriving or staying after 5.30pm. Looking forward to sharing this exciting opportunity.

Best Regards

 (Vice Commodore)

John Butcher
