What is an event?

An event is an activity organised by a business or service that is held at commercial premises or private premises, publicly owned premises for the purpose of the activity, or an outdoor area where a group of customers and clients is accompanied or supervised by a worker providing services to that group (for example, a guided tour). Entry is controlled through ticketing, fees, registration or by any other means. It excludes any activities at a private home.

Gatherings inside or outside e.g Committee meeting, prize giving and BBQ after cruising racing at the beach

What is a gathering?

A gathering is people who are intermingling in a group but excludes people who remain at least 2 metres away from each other, so far as reasonably practicable. It includes gatherings to undertake voluntary or not-for-profit sporting, recreational, social or cultural activities. You might have heard the terms 'gathering' and 'events' thrown around. Sport and recreation can be played under gatherings restrictions, and the number that can meet at a gathering depends on whether vaccine passes are required and checked or not.

Please note that club functions can come under the gathering rules, but as a club I think that events like the Coffee Morning, Christmas Party and Mid Winter Function should be treated as an event and follow the hospitality rules as per page 1.

Hardstand, hauling, moorings, grids, dinghy lockers

<https://covid19.govt.nz/traffic-lights/life-at-red/gatherings-and-visits-at-red/public-and-private-gatherings-at-red/>

- The club treats all of above as a non vax gathering as we would not have more than 25 people at any one time
- We keep an eye out for what other Marina's are doing and make changes as necessary, as of 1.30pm 2 December Gulf Harbour Marina has not brought out their traffic light policies

Yachting racing

<https://www.yachtingnz.org.nz/clubs/covid-19-latest-updates>

There are no requirements for physical distancing while playing / participating, meaning keelboat and double-handed sailing is allowed at the Red, Orange and Green settings. You also don't need to wear a mask when taking part. During racing, sailing series and regatta's, it is up to the boat owner's discretion on vaccination status for their crew.
